Mr. J. Lee Rankin
Chief Cousel
The Warren Commission
Washington, D.C.

Dear Mr. Rankin:

I am by no stretch of the imagination an extremist - and I rarely get caught up in any emotional binges - - but could tell me how in the hell a man who belongs to a number of Communist Front organizations as the commentators have indicated - - Nicholas Redlich - can be employed by an agency of the United States Government?

Indeed, I would like to know.

Very truly yours,

T.L. Humes
